Also include the proposal for their replacement, including any new means of structural support, and state references for the plan(s)/drawing(s).

Photos submitted for both the left hand and right hand windows. There is no proposal to alter the dimension of the existing windows so there are no drawings of the intended windows, a surveyor will attend when we have the correct permission in place to proceed. For clarity we are proposing that the windows are fixed (ie do not open), due to the size of the porch there is no benefit to them opening, they will still have the same appearance from the outside but will potentially be more energy efficient.
