you supplying additional information on submitted plans, drawings or a design and access statement?
res
lo es, please state references for the plans, drawings and/or design and access statement
494/06 Proposed Elevations _Rev A

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each

Trees and Hedges  Are there any trees or hedges on the property or on adjoining properties which are within falling distance of the proposed development?  ② Yes ○ No  If Yes, please mark their position on a scaled plan and state the reference number of any plans or drawings.  2494/03 The Existing Plans and 2494/05 the proposed Plans _ Rev B  Will any trees or hedges need to be removed or pruned in order to carry out your proposal?  ○ Yes ○ No
Pedestrian and Vehicle Access, Roads and Rights of Way
Is a new or altered vehicle access proposed to or from the public highway?  ○ Yes  ⊙ No
Is a new or altered pedestrian access proposed to or from the public highway?  ○ Yes  ⊙ No
Do the proposals require any diversions, extinguishment and/or creation of public rights of way?  ○ Yes  ⊙ No
Parking
Will the proposed works affect existing car parking arrangements?  ⊙ Yes  ○ No
If Yes, please describe:
Existing site has 1 parking space and additional space for 1 car in the existing garage.  The proposed site has 1 parking space.
Biodiversity net gain
Householder developments are currently exempt from biodiversity net gain requirements.
However, this exemption still needs to be confirmed by the applicant or agent when making a householder planning permission application.
☑ I/we confirm that the proposed development, if granted permission, would be exempt from the general biodiversity gain condition.
Provide 40 of Orbital In 70 of the Transport Orbital Planting And 4000 (company) and all the Language Company and a fault-

Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended) sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'general biodiversity gain condition'.

However, the 'general biodiversity gain condition' does not apply in relation to planning permission for a development which is the subject of a householder application, within the meaning of Article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended).

Site Visit  Can the site be seen from a public road, public footpath, bridleway or other public land?  ② Yes  ○ No  If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?  ○ The agent  ② The applicant  ○ Other person
Pre-application Advice  Has assistance or prior advice been sought from the local authority about this application?  ○ Yes  ⊙ No
Authority Employee/Member  With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member  It is an important principle of decision-making that the process is open and transparent.  For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.  Do any of the above statements apply?  Yes No
Ownership Certificates and Agricultural Land Declaration  Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)  Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.  Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days?  Order 2015 (as amended)  Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.  Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days?  Order 2015 (as amended)

## Certificate Of Ownership - Certificate A I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner\* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding\*\* \* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run. \*\* "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act. NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding. Person Role O The Applicant Title First Name Pip Surname Smith **Declaration Date** 22/02/2024 ✓ Declaration made **Declaration** I/We hereby apply for Householder planning permission as described in the questions answered, details provided, and the accompanying plans/drawings and additional information. I/We confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them. I/We also accept that, in accordance with the Planning Portal's terms and conditions: - Once submitted, this information will be made available to the Local Planning Authority and, once validated by them, be published as part of a public register and on the authority's website; - Our system will automatically generate and send you emails in regard to the submission of this application. ✓ I / We agree to the outlined declaration Signed Julian Owen Date 01/03/2024
