Certificate of Lawfulness application - "Based upon the currently provided information the Local Planning Authority are unable to Grant a Certificate of Lawfulness because the use of the attached garage to form a dog grooming studio is not considered ancillary or incidental to the residential use and while it might be argued that the activity would be of such a small scale so as to be de-minimis, I do not find this to be the case. The use cannot be said to be ancillary or incidental to the main residential activity since it is not functionally linked to that residential use nor does it form an ordinary part of it."
