Comment Reasons:

Comment: I believe that this application for the approval of 3 Padel tennis courts in place of 2 existing tennis courts should be rejected on the following points.

1/ Noise assessment - none required due to the continuation of tennis at the site, a noise assessment should be made as the 3 planned Padel courts are taking the place of 2 current outdoor courts, Padel Tennis is louder than regular tennis and will impact members and their guests who use the outdoor terrace area.

2/ Parking provision - would not impact on the existing parking provision - there is not enough parking at peak times so adding an additional court will only exacerbate the current parking situation.

3/ Permission was previously granted (see SDNP/22/00239/FUL) for 2 Padel courts to be located adjacent to the West side of the indoor tennis courts 7 & 8, this location is more in keeping and would not mean the removal of 50% of the Outdoor Tennis courts currently available.
