

DESIGN AND ACCESS STATEMENT

This design and access statement applies to the listed planning application for replacing sash and screen windows and two external door sets on a like for like basis at Bacons, High Street, Amberley, Arundel BN18 9NJ.

The window design has been carefully prepared to ensure the replacement windows and external door sets will mirror the existing windows and door sets they are replacing. The replacement windows and external door sets will all be manufactured in Sapele Hardwood. Glazing used will be consistent with the glazing used in the existing windows. The width and appearance of the glazing bars on all replacement windows will be consistent with the glazing bars used on the exiting windows. The external and internal paint colour on all replacement windows and external door sets will be the same as the existing windows and external door sets.
