

PROPOSED GROUND FLOOR PLAN Scale 1/ 50

Statutory Authorities, in relation to Planning or Building Regulation matters only, may scale from drawing when scale is identified.  
 No other persons may scale from drawings.  
 Check all dimensions and levels on site and verify with all other information prior to fabrication or construction. Any conflict or difference to be brought to the attention before commencement.  
 These drawings are for architectural purposes only and structural elements must be in line with Structural Engineers specification.
