Dear Planning Admin,

As a sizeable site, the submitted red-lined location and site plan, scaled to fit on an A4/ A3 sheet as requested, are as agreed and accepted by yourselves for directly comparable applications for the same site and applicant last year.
See applications ref:23/00445/GPDAFB and 23/00474/GPDAFB.

Both the submitted location plan and site plan have a north arrow, OS licence number and scale bar and show the application site and surrounding context.

I trust this is sufficient to identify the site and thus enable you to register the application.

Kind regards

Rob
