Dear Mrs Wesbroom,

Thank you very much for your letter dated 18th March 2024 and your comments on my application.

I have tried to address your comments:

1. Added a scale bar to drawing no 352 bin store. Please find attached the revised drawing
2. Added a scale bar or measurements to the street elevation. Please find attached the revised drawing.

3. I also agree with your suggestion for the revised description "Erection of a bin store and bike store with a sedum roof to the front elevation."

If it is helpful, I can also add scale bars to the other drawings. Please let me know if you would like these drawings and I can send them to you.

Please do not hesitate to get in touch if there any other issues which prevent the application to be registered. Thank you very much for your kind help in this matter.

All the best

Peter Laitenberger
