Dear Adam,

EDGE GROVE SCHOOL, HERTFORDSHIRE – FORMER STABLE BLOCK

I understand that Edge Grove School propose to re-submit their planning application to Hertsmeare Council for alterations within and a new extension to the former Stable Block at the school. As you know, I assisted with the 2020 planning application, which was successful once concerns raised by the Council's Conservation Officer had been addressed in full. That scheme was designed by Lyons+Sleeman+Hoare Architects (LSH).

As requested, I have now reviewed documents pertaining to the 2020 application, and to be resubmitted in 2024. I understand that there are no alterations to the previously consented scheme. The following heritage reports were included with the 2020 application as approved:

- Heritage Statement dated March 2020 by Bancroft Heritage Services;
- My Addendum to the Heritage Statement dated 18 December 2020 (Keevill Heritage Ltd), responding to questions raised by the Conservation Officer; and
- LSH drawings SK-84-A & SK-101- illustrating the points raised and how they had been addressed.

I am pleased to confirm that the above documents submitted in 2020 remain fully relevant. Nothing in the design has changed since 2020, and therefore my report dated 18 December 2020 is still fully valid and does not need any alteration or revision.

I trust that this is helpful.

Kind regards,
