Hi David,

I refer to the above mentioned planning application.

We have received your revised/additional information for this application. I note that in our letter we asked for a brochure detail of the front door. The revised plan we received removes the annotation relating to the replacement door from the drawing. Can I confirm that you no longer wish to include the replacement door as part of the proposal? If so I will remove it from the application description and validate the application.

I look forward to hearing from you.

Regards,

Laura
