Is any land covered by, or within the curtilage of, the building:

Description of Proposed Works, Impacts and Risks

Proposed works

Please describe the proposed development including details of any dwellinghouses and other works proposed

Conversion of Office Building(s) to Apartments.

NOTE: Change due to the Permitted Development Order - Class MA granting permission a change from office to residential use, subject to a Prior Approval. The requirement for the building to be vacant for 3 months prior to submission has now been removed (as of Tuesday, 5th March 2024), as has the floorspace limitation of 1,500 sq.m. with no limitation imposed on the size of the building that can be converted. The Planning Portal Application Forms have not been updated.

Please provide details on the provision of adequate natural light in all habitable rooms of the dwellinghouses

All habitable rooms have a window to provide natural daylight (and ventilation). Please refer to the Proposed Floor Plans and the Proposed Elevations.

What will be the net increase in dwellinghouses?

16

This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses in the existing building prior to the development.

Impacts and risks

Please provide details of any transport and highways impacts and how these will be mitigated, particularly to ensure safe site access

There are no adverse impacts upon transport or the highway network.

The existing vehicular access position is retained.

Please provide details of any contamination risks and how these will be mitigated

The are no site contamination risks associated with the proposal.

Please provide details of any flooding risks and how these will be mitigated.

The application site is identified as Flood Zone 1 within the Flood-Map-For-Planning-Service.Gov.UK website.

A flood risk assessment should accompany the application where the site:

- is in Flood Zones 2 or 3; or
- is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency). Check if your site location is in Flood Zone 2 or 3 online

Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

Please provide details of the impacts of noise from any commercial premises on the intended occupiers of the new dwellinghouses and how these will be mitigated

There are no adverse impacts of noise upon the proposal.

If the building is located in a conservation area, and the development involves a change of use of the whole or part of the ground floor. Please provide details of the impacts that the change of use will have on the character or sustainability of the conservation area and how these will be mitigated

The application site does not sit within a Conservation Area.

If the building is located in an area currently in use for general or heavy industry, waste management, storage and distribution, or a mix of such uses.

Please provide details of the impacts on intended occupiers of the development of the introduction of residential use in the area and how these will be mitigated

The existing Office Building(s) includes for existing double glazed windows with acoustic trickle vents.

If the proposal involves the loss of services provided by a registered nursery, or a health centre. Please provide details of the impacts on the local provision of the type of services lost and how these will be mitigated

Not applicable. This application relates to the conversion of existing, untenanted office space. There is no demand for the existing office space despite an exhaustive marketing campaign with reduced rent.

List of flats and other premises in the existing building

Please provide a list of all addresses of any flats and any other premises within the existing building

Declaration

I/We hereby apply for Prior Approval: Change of use – commercial/business/service to dwellinghouses as described in the questions answered, details provided, and the accompanying plans/drawings and additional information.

I/We confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.

I/We also accept that, in accordance with the Planning Portal's terms and conditions:

- Once submitted, this information will be made available to the Local Planning Authority and, once validated by them, be published as part of a public register and on the authority's website;
- Our system will automatically generate and send you emails in regard to the submission of this application.

✓ I / We agree to the outlined declaration

Signed

Andrew Titterton
