Hi Mike

Thank you for your email. I am well thanks, I hope you are too.

If you let me know which of the trees is in the garden of 28, I can manually put this on the system.

I am just waiting to hear back from the Tree Officer regarding the information you sent through for 30 Castle Road.

Regards, Sarah

Hi Sarah, hope you're keeping well.

Are you able to amend an application for us to include another address?

The application No. is: **Reference: PP-12821657**

I have put 30 Castle Road as the tree owners, but on further inspection, one of the trees is on land belonging to number 28 Castle Road.

Can you add No. 28 to the application?

All the best - Mike

Hi Steve,

I visited 30 Castle Road today to mark up obstacle trees...

One of the trees identified (which accounts for 2 obstacles) is actually on land owned by the adjacent property, so I have prepared and will send the attached letter... hopefully they come back with a positive response!

This shouldn't change timescales or TPO assessment... HRG can just add a note to the TPO application.
