| Description of the Proposal  |
| Please note in regard to:  |
| <ul> <li>Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.</li> <li>Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.</li> <li>Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.</li> </ul> |
| Description  |
| Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)  |
| Proposed replacement new flint boundary wall and widened access and alterations to the listed building, including the inclusion of a cupboard from Somme Cottage into the ground floor layout of the new rear extension to Corner Cottage, alteration of previous shown port hole window to a door on rear extension, and replacement shutters on front elevation.   |
| Has the development or work already been started without consent?  Yes  No   |

| Demolition of Listed Building  Does the proposal include the partial or total demolition of a listed building?  ○ Yes  ⊙ No  |
| Immunity from Listing  Has a Certificate of Immunity from Listing been sought in respect of this building?  ○ Yes ○ No   |
| Listed Building Alterations  Do the proposed works include alterations to a listed building?   |
| If Yes, do the proposed works include  a) works to the interior of the building?   |
| <ul> <li>b) works to the exterior of the building?</li> <li>✓ Yes</li> <li>○ No</li> <li>c) works to any structure or object fixed to the property (or buildings within its curtilage) internally or externally?</li> </ul>  |
| <ul><li>✓ Yes</li><li>◯ No</li><li>d) stripping out of any internal wall, ceiling or floor finishes (e.g. plaster, floorboards)?</li></ul>   |
| <ul> <li>Yes</li> <li>No</li> <li>If the answer to any of these questions is Yes, please provide plans, drawings and photographs sufficient to identify the location, extent and character of the items to be removed. Also include the proposal for their replacement, including any new means of structural support, and state references for the plan(s)/drawing(s).</li> </ul> |
|  |
|  |

Many of the changes have already been approved by Listed Building Consent 23/01238/LBC and planning approval 23/01237/DOM for the replacement extension and alterations to the rear, including the insertion of dormer windows and reinstatement of a chimney to the side.

This application seeks to alter this permission by demolishing a breeze block wall of a modern cupboard that currently forms part of Somme Cottage. This area would be included as part of the ground floor rear extension to enable a shower to be included to the down stairs WC. This element would continue to have a flat roof with a new roof light added above which is obscure glazed to give natural daylight to the WC. The other proposals include adding a flint detail to part of the side elevation of the previously approved rear extension on the side elevation. The elevation also previously showed an error as the new port hole window was supposed to be a door providing access to a small store which can be used for cycle storage in line with the floor plans approved. The other aspects of the proposals seek to replace the modern shutter windows on the front elevation. It also seeks to replace a low level modern brick wall with trellis above attached to the cottage with a new flint wall and larger timber access gates to match that at the front of the property. The new flint wall is staggered in height and will have climbing plants attached to it. Please see accompanying plans and photographs for details.

| The property is Grade II listed and lies within the Bosham Conservation Area and makes a valuable contribution to the tightly grained townscape that surrounds the site. A key characteristic of the area is the traditional roofscape typified by varied and red tiled roof slopes. The key parts of the proposals are to add a half storey onto the existing modern ground floor extension. The principle of this work is acceptable and would see the removal of a harmful ground floor flat roofed extension. The form of extension proposed is far more coherent in a historical setting than the flat roofed extension previously permitted. The extension will fit neatly to the rear of the original historic dwelling and will add to the varied historic roofscape in the surrounding area. The proposed dormer is acceptable, and although fairly wide, there are clear historic precedents. |

| Authority Employee/Member   |
| With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member  |
| t is an important principle of decision-making that the process is open and transparent.  |
| For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.   |
