Has an agricultural building been constructed on this unit within the last two years?

- Yes
 No

Would the proposed building be used to house livestock, slurry or sewage sludge?

- Yes
 No

If Yes, will the building be more than 400 metres from the nearest house excluding the farmhouse?

- Yes
 No

Would the ground area covered by the proposed agricultural building exceed 1000 square metres?

- Yes
 No

Please note: If the ground area covered exceeds 1000 square metres it will not qualify as Permitted Development and an application for Planning Permission will be required.

Has any building, works, pond, plant/machinery, or fishtank been erected within 90 metres of the proposed development within the last two years?

- Yes
 No

The Site

What is the total area of the entire agricultural unit? (1 hectare = 10,000 square metres)

310.0

Scale

Hectares

What is the area of the parcel of land where the development is to be located?

1 or more

Hectares

How long has the land on which the proposed development would be located been in use for agriculture for the purposes of a trade or business?

Years

1000

Months

0

Is the proposed development reasonably necessary for the purposes of agriculture?

- Yes
 No

If yes, please explain why

The proposed development will allow for the expansion of the applicants existing free range laying hen enterprise whilst maximising the productive capacity of the existing on site facilities incorporated within the adjacent existing building. This will allow for expansion of the overall flock size without the need to create an entirely facility and range area.

Is the proposed development designed for the purposes of agriculture?

- Yes
 No

If yes, please explain why

The proposed development has been designed specifically for the purpose of housing free range laying hens. Steel portal frame construction allows for a clear space internally for the housing of poultry and internal fitting out. Low eaves height allows for the precise control of internal conditions whilst still allowing vehicles movements.

Does the proposed development involve any alteration to a dwelling?

- Yes
 No

Is the proposed development more than 25 metres from a metalled part of a trunk or classified road?

- Yes
 No

What is the height of the proposed development?

6.8

Metres

Is the proposed development within 3 kilometres of an aerodrome?

- Yes
 No

Would the proposed development affect an ancient monument, archaeological site or listed building or would it be within a Site of Special Scientific Interest or a local nature reserve?

- Yes
 No

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent
 The applicant
 Other person
