CDM Regulations

In line with the Construction (Design and Management) Regulations 2015 we will act as Designer, unless otherwise appointed as Principal Designer through a written agreement. As designer will seek to eliminate, reduce or control foreseeable risks that may arise during construction and through maintenance/use of the building once it is built. We also aim to provide necessary information to other members of the project team to help them fulfil their duties.

Notes

1. All dimensions are in mm unless otherwise stated.
2. Contractors, subcontractors and suppliers must verify all dimensions on site before commencing any work or making any workshop drawings.
3. Any indication of structure or services is approximate only and full investigation of the existing should be carried out on site prior to commencing of the works at any stage of the project.
