

Location of proposed storage container as marked out on site - sited on existing tarmac surfacing & raised 100mm above ground on concrete blocks

Indicative existing extent of tarmac surfacing for former tennis courts

Extent of proposed 3D cellular no-dig surfacing to reinforce existing track (red hatching) - linking entrance gate with concrete parking area and turning head

T5

Steps from old gateway down to tennis court

Existing concrete hard standing retained for parking

T4

G2

T3

Fenced off area of dense bramble and buddleia located off-site

Unsurfaced access track

T2

T1

G1

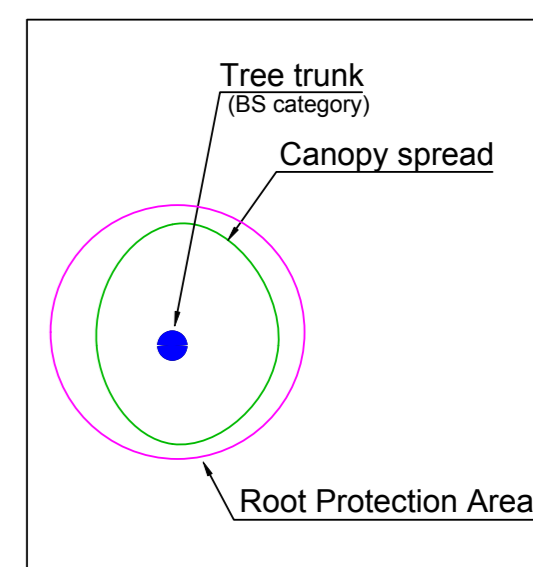

Unsurfaced access track

Existing shrubs & bushes alongside access track
