Description of Proposed Works, Impacts and Risks

Proposed works

Please describe the proposed development including details of any dwellinghouses and other works proposed

Currently an unoccupied two-storey office which is proposed to be converted to two self-contained flats both having two bedrooms and accessed via a common entrance beyond the front entrance door.

There are existing windows and doors front and rear.

Please provide details on the provision of adequate natural light in all habitable rooms of the dwellinghouses

All bedrooms and the kitchen / lounge have opening windows either front or rear. They are sash type and will open to provide both natural ventilation and escape if necessary. See accompanying drawings.

What will be the net increase in dwellinghouses?

2

This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses in the existing building prior to the development.

Impacts and risks

Please provide details of any transport and highways impacts and how these will be mitigated, particularly to ensure safe site access

One off-road parking space per flat is allocated within Russell Court car park. Separately, it may be possible to provide a shed (bike store) within the rear courtyard for the GF flat.

The property is located in the City Centre and is ideally positioned for local transport links, buses and train. There are no negative impacts.

Please provide details of any contamination risks and how these will be mitigated

None known.

Please provide details of any flooding risks and how these will be mitigated.

None. Located in Flood Zone 1.

A flood risk assessment should accompany the application where the site:

- is in Flood Zones 2 or 3; or
- is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency).

Check if your site location is in Flood Zone 2 or 3 online

Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

Please provide details of the impacts of noise from any commercial premises on the intended occupiers of the new dwellinghouses and how these will be mitigated

There is a public house next door. The entrance to the public house is on the far side of the building and there is no outside areas for customers.

Furthermore, the walls of the dwelling (and it seems the pub based on its age and likely construction) are very thick thus affording very good sound proofing.

Otherwise, the street upon which the property sits appears quiet.

If the building is located in a conservation area, and the development involves a change of use of the whole or part of the ground floor. Please provide details of the impacts that the change of use will have on the character or sustainability of the conservation area and how these will be mitigated

There are no proposed alterations to the external elements of the building. it will not change its aesthetic in any way. No impacts. The building has an appearance of a residential dwelling despite being used as an office. If the building is located in an area currently in use for general or heavy industry, waste management, storage and distribution, or a mix of such Please provide details of the impacts on intended occupiers of the development of the introduction of residential use in the area and how these will be mitigated Not applicable. Area is not industrial. If the proposal involves the loss of services provided by a registered nursery, or a health centre. Please provide details of the impacts on the local provision of the type of services lost and how these will be mitigated Not applicable. List of flats and other premises in the existing building Please provide a list of all addresses of any flats and any other premises within the existing building House name: Unit 3 (office) Number: Suffix: Address line 1: Russell Court Address Line 2: St. Andrew Street Town/City: Plymouth Postcode: PL1 2AX **Declaration** I/We hereby apply for Prior Approval: Change of use - commercial/business/service to dwellinghouses as described in the questions answered, details provided, and the accompanying plans/drawings and additional information.
