The Proposed Building

Please indicate which of the following are involved in your proposal

- A new building
 An extension
 An alteration

Please describe the type of building

General purpose agricultural building

Please state the dimensions of the building

Length

24.38

metres

Height to eaves

6.71

metres

Breadth

18.29

metres

Height to ridge

9.16

metres

Please describe the walls and the roof materials and colours

Walls

Materials

Dark grey painted portal frame steelwork with natural coloured pre-stressed concrete panels to 3m and goosewing grey profile tin sheeting to eaves. Galvanised steel roller shutter door on the south elevation.

External colour

Dark grey painted portal frame steelwork with natural coloured pre-stressed concrete panels to 3m and goosewing grey profile tin sheeting to eaves. Galvanised steel roller shutter door on the south elevation.

Roof

Materials

External colour

Has an agricultural building been constructed on this unit within the last two years?

- Yes
 No

Would the proposed building be used to house livestock, slurry or sewage sludge?

- Yes
 No

Would the ground area covered by the proposed agricultural building exceed 1000 square metres?

- Yes
 No

Please note: If the ground area covered exceeds 1000 square metres it will not qualify as Permitted Development and an application for Planning Permission will be required.

Has any building, works, pond, plant/machinery, or fishtank been erected within 90 metres of the proposed development within the last two years?

- Yes
 No

The Site

What is the total area of the entire agricultural unit? (1 hectare = 10,000 square metres)

Scale

What is the area of the parcel of land where the development is to be located?

Hectares

How long has the land on which the proposed development would be located been in use for agriculture for the purposes of a trade or business?

Years

Months

Is the proposed development reasonably necessary for the purposes of agriculture?

- Yes
 No

If yes, please explain why

The proposed building is intended to be a general purpose agricultural building but will primarily be used for grain storage. The existing grain storage building is no longer suitable for grain storage due to increasing farm assurance standards and the increase in size of modern farm machinery making it difficult to tip trailers within the building. The existing grain store will be primarily be used for storage of agricultural equipment once the proposed building is erected. The proposed will provide 1,000t of grain storage which will comfortably provide enough storage for the holding.

Is the proposed development designed for the purposes of agriculture?

- Yes
 No

If yes, please explain why

Clear span portal frame steelwork with eaves height of 6.71m and ridge of 9.16m.

Does the proposed development involve any alteration to a dwelling?

- Yes
 No

Is the proposed development more than 25 metres from a metalled part of a trunk or classified road?

- Yes
 No

What is the height of the proposed development?

9.2

Metres

Is the proposed development within 3 kilometres of an aerodrome?

- Yes
 No

Would the proposed development affect an ancient monument, archaeological site or listed building or would it be within a Site of Special Scientific Interest or a local nature reserve?

- Yes
 No

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent
 The applicant
 Other person

Declaration

I/We hereby apply for Prior Approval: Building for agricultural/forestry use as described in the questions answered, details provided, and the accompanying plans/drawings and additional information.

I/We confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.

I/We also accept that, in accordance with the Planning Portal's terms and conditions:

- Once submitted, this information will be made available to the Local Planning Authority and, once validated by them, be published as part of a public register and on the authority's website;
- Our system will automatically generate and send you emails in regard to the submission of this application.

I / We agree to the outlined declaration

Signed

Tom Julian

Date

16/03/2024

Amendments Summary

Change to external construction and finish to include galvanised steel roller shutter door on south elevation.
