Details of the pre-application advice received It is considered the residential development of the site could be acceptable in principle in consideration of Cornwall Local Plan policies 3 and 21, subject to satisfactory demonstration of the site constituting PDL, however, this is counteracted by the potential for conflict with the emerging Neighbourhood Development Plan draft housing Policy HO1. Consequently, on this occasion, the response is balanced with the above in mind. Authority Employee/Member With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member It is an important principle of decision-making that the process is open and transparent. For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
