Man Material Amendment(e) Sought

Please describe the non-material amendment(s) you are seeking to make
Plant enclosure on rooftop
Please state why you wish to make this amendment
The amendment is to include a plant enclosure on the roof top plant area to protect plant equipment unsuitable to be installed outside. Through optimisation of the roof top plant and ground floor plant room during developed design of M&E a considerable reduction of roof top ductwork & equipment has been achieved. This is largely due to a bottom-up ventilation strategy which services the hotel within an internal ductwork solution rather than a rooftop arrangement that would detrimentally impact the aesthetics of the hotel, particularly from the Clifford Tower viewpoint. As part of this optimisation process, it is noted that the resultant rooftop plant requires to be weather proofed, and a small enclosure is to be provided.
Are you intending to substitute amended plans or drawings?
