Dear Mr Paterson,

Proposed Sunroom Extension To The Rear At
301 High Street East, Wallsend, NE28 7JY
For Mr Gallagher

Further to personally hand delivering a letter to you dated 12 03 24, at the time of writing I have not received a response from you. As you have not responded, it is likely the case that you have no objection to the proposed works.

We must continue to progress the job for our Client and we advise you that we shall be submitting a formal Planning Application to the Council in due course.

Under the requirements of the Planning Application, you will be formally advised of the proposed works again and given another opportunity to comment.

Yours sincerely

Craig Robertson
