- This drawing is to be read in conjunction with all current services and engineers drawings, details and calculations.
- All construction work is to be carried out to comply with the current British Standards, Codes of Practice and Building regulations.
- **DO NOT SCALE FOR CONSTRUCTION PURPOSES! - USE FIGURED DIMENSIONS.** All dimensions in millimetres.
- **CHECK ALL DIMENSIONS ON SITE PRIOR TO FABRICATION.** Report any discrepancies to this architectural office. The contractor is responsible for the correct setting out of the building on site.
- Contractors are to comply with all health and safety legislation applicable. Particularly the CDM Regulations, provision should be made for safe working procedures for the construction work. Avoid hazzards where possible , if unavoidable use suitable precautions.
- The Construction Design and Management Regulations CDM 1994 applies to all commercial work including flats, conversions and loft conversions. It does not apply where the work is purely to an owner occupied dwelling.
- This drawing is Copyright KP Keith Parker Architectural & Building services
