of permitted days extends the figures will be adjusted accordingly (e.g. for 56 days the contribution amounts will double).

- £10 x number of pitches per year (index linked) towards New Forest SPA Mitigation
- £2.50 x number of pitches per year (index linked) towards Solent and Southampton Water SPA mitigation (check if you are in the Bird Aware Solent mitigation area at: https://newforest.gov.uk/media/870/5-/pdf/Figure_5_1_5.6k_buffer.pdf?m=637314500313800000)

Payment can be made on completion of a Unilateral Undertaking available from the Council.

If a contribution to the Authority's Habitat Mitigation Scheme is not made, please set out what measures will be implemented to ensure that recreational impacts from the campsite users are fully mitigated.

Nutrient Mitigation

Please calculate the nutrient budget for the site using the information on the following website: <https://newforest.gov.uk/article/2714/Nutrient-neutral-development>

If this results in a net increase in nutrients, a mitigation **package** will be required to achieve nutrient neutrality. If the budget is not neutral, mitigation is required. Please set out what mitigation measures will be implemented either on-site or off-site to ensure nutrient neutrality.

Recreational Mitigation

The Authority's Habitat Mitigation Scheme provides mitigation for recreational impacts that satisfies the Habitats Regulations. In many circumstances a contribution to this will be the easiest way to address recreational impacts. National permitted development rights currently allow campsites to operate for up to 28 days per annum. The financial contribution figure to this Scheme outlined below may secure mitigation for campsite operators for this full time period. If the number
