

To whom it may concern

Heritage Statement for 35 Southampton Road, Lymington

The proposal is to remove a 420mm section of the existing wall at ground floor, to allow a larger opening between the existing main property and the recently added extension.

All walls will be repaired with the same lime plaster as the existing.

306 Lymington Road, Highcliffe  
Christchurch, Dorset  
BH23 5ET  
Telephone: 01590 624794  
Mobile: 07843 009936  
Email: matt@mbauklt.co.uk

The door will be removed and it is not intended to replace doors into the  
Newly created opening. Please see Dwg. No. MBA/100/103.

It is proposed to use pre cast concrete lintels over the new opening for the  
increase in opening width.

All plaster to be made good, will be to match the existing.

Yours faithfully

MBell
