Description of Proposed Works
Please describe the proposals to alter, extend or demolish the listed building(s)
Existing entrance doors (north and south) are not original and are formed from ply which is partially metal plated. The doors are in poor condition, particularly to the South where they are rotten. A repair would not be effective. Propose to replace with doors that are visually the same, but formed from solid painted timber. Glazing is double, to match existing but also to help with the building thermal efficiency. New locks and hinges to provide a secure building.
Has the development or work already been started without consent?
