Notes :

This plan should only be used for its original purpose. SV Surveying Ltd accepts no responsibility for this plan if supplied to any other party other than the original client.

All dimensions / levels should be checked on site prior to design and construction.

The position of electrical points cannot be guaranteed due to access or other restrictions.

Drainage information (where applicable) has been visually inspected from the surface and should be treated as approximate only.

Tree information (where applicable) has been surveyed from ground level and therefore should be treated as approximate only.

Doors and windows positions have been measured to the structural opening wherever possible.

The survey has been fixed to an arbitrary grid.
