Hi

Please can this be registered as the removal of a '5 days written Notice' for the removal of a dead located within a Conservation Area.

Photographs 5 & 6 show the tree concerned (species unknown).

Thank you

BR

Mark

Subject: Tree

Hi Mark,

Olly here from 16a Harvey Lane.

We had a branch snap in the wind last night. I started to cut it up today and noticed the inside of the branch looks like the Ash disease we had in the other trees. The tree is close by to the others that were removed last year. I've attached a picture, could you confirm if that's what it is?

Also, can I get permission for dead tree removal. It's been this way for a while but I need to get it sorted. Again, picture attached.

Thanks
