Dear Sirs

For the attention of Valera Lvov

Further to your letter of 12 Jan 2024, I trust the following will resolve your queries.

- 1 Location Plan. I have uploaded a new location plan (this is a copy of the plan supplied to us by the solicitors when we purchased the property in 2021). I have added the red boundary around the property and also the North Marker.
- 2 I am happy for you to use the description you have proposed, i.e. "LAWFUL DEVELOPMENT CERTIFICATE APPLICATION FOR A PROPOSED; move of an existing stud partition wall and add an additional wall to create additional bedrooms and shower room"
- 3 The drawings I originally supplied were drawn at a scale of 1:50. I have modified the drawings to reflect this and converted them to .pdf. These revised documents have been uploaded to the Planning Portal.

Regards
Malcolm Hayward
