Dear Mr Hayward,

Thank you for your recent submission of the of the document to the planning portal.

After looking over the documents and drawings submitted it appears that a location plan at a scale of 1:1250 of 1:2500 is still required, this needs to be in a .PDF format like all drawings.

You can email this directly to us via a reply to this email.

If you have any questions, please do feel free to let me know.

**Kind regards**
