Grounds for Application	
Information about the existing use(s)	
Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful	
I just want to ensure that any alteration we make to the property is within the conservation area rules and is lawful.	
Please list the supporting documentary evidence (such as a planning permission) which accompanies this application	
Sketch MDH1 - Shows the proposed installation of the shower room Sketch MDH2 - Shows the Existing Layout Sketch MDH3 - Shows the ground floor existing plan (shows existing toilet in the Potting shed.

Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following:  (a) a member of staff  (b) an elected member  (c) related to a member of staff  (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having

considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

Amendments Summary
1 Location Plan. I have uploaded a new location plan (this is a copy of the plan supplied to us by the solicitors when we purchased the
property in 2021). I have added the red boundary around the property and also the North Marker.
2 I am happy for you to use the description you have proposed, i.e. "LAWFUL DEVELOPMENT CERTIFICATE APPLICATION FOR A PROPOSED; move of an existing stud partition wall and add an additional wall to create additional bedrooms and shower room"
3 The drawings I originally supplied were drawn at a scale of 1:50. I have modified the drawings to reflect this and converted them to
.pdf. These revised documents have been uploaded to the Planning Portal.
