Good afternoon.

Apologies, it would only be between 2-2.5metres maximum off the crown for the Beech T.3.

Thanks Paul, BCP Tree Surgery Ltd

Hello Mr Beverly,

Thank you for your tree application which has been given the above reference number.

Can you please confirm the approximate amount in metres (not %) that you are proposed to crown reduce 1x Beech tree (T3) by, as the Tree officers require this information (see "Crown Reduction" in attached guidance notes).

Proposal:
Conifer (T1) - Removal and replanting of a Silver Birch tree. Lombardi Poplar (T2) - Removal and replanting of a 2nd Silver Birch Tree.
Beech (T3) - Small crown reduction to maintain shape and size. Cherry (T4) - Remove imposing large limb by neighbours property.

Once we receive this information, we can then make the application valid.

Kind Regards,
The Development Management
