INFORMATIVES

In arriving at this decision Shropshire Council has used its best endeavours to work with the applicant in a positive and proactive manner to secure an appropriate outcome as required in the National Planning Policy Framework, paragraph 38.

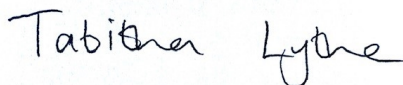

This planning permission notice must be read in conjunction with the listed building consent notice where additional conditions are attached.

If your proposed project requires **Building Regulations Approval** or you are unsure whether it does please contact us on **01743 258710**, email buildingcontrol@shropshire.gov.uk or visit our website <https://www.shropshire.gov.uk/building-control/> for pre-application advice and a competitive fee.

As part of the planning process, consideration should be given to the information contained within Shropshire Fire and Rescue Service's "Fire Safety Guidance for Commercial and Domestic Planning Applications" which can be found using the following link: <http://www.shropshirefire.gov.uk/planning-applications>

If your project relates to a **Listed Building** please be aware that if, during the process of obtaining Building Regulation Approval or undertaking Fire Safety works amendments to the scheme as approved under the Listed Building Consent are requested, it is very likely that you will need to amend your approved drawings regardless of how minor the alteration may be. If this is the case, please contact the Case Officer and they will determine what action is required. Work should not be proceed until appropriate amendment/s have been approved in writing by the Council. We would advise that the carrying out of unauthorised work could represent a criminal offence under Section 9(1) of the Planning (Listed Building & Conservation Areas) Act 1990 (as amended).

NOTES

Conditions

You will see that your decision notice includes a number of conditions:

- You must comply with all of the conditions. If you are unclear about any of them, please contact the Planning Officer who dealt with the application.
- Some of the conditions may require you to submit further information to the Council for approval. Most conditions will need to be complied with before you start work on site.
- If you think any of the conditions are unreasonable you may appeal to the First Secretary of State, through the [Planning Inspectorate](#).
- Please also ensure that you comply with the requirements of any Legal Agreement that may accompany the planning permission.

Informatives

Your decision notice includes a number of informatives. This gives you some extra guidance and advice which will help the development process. Please note your Decision Notice gives permission only under the Town and Country Planning Acts. You may need other approvals, for example under the Building Regulations, or Party Wall Act, or permission from your neighbour to go onto his/her land.

Amendments

If you need to alter your approved drawings please send full details to us regardless of how small the alteration is. Your case officer will determine whether this can be agreed through a simplified exchange of correspondence or whether a revised application needs to be submitted. Further guidance can be found at www.shropshire.gov.uk/planning . You should not commence work until the amendment has been approved in writing by the Council. This is **particularly important** if the project involves a **Listed Building** and work should not be proceeded until appropriate amendment/s have been approved in writing by the Council. We would advise that the carrying out of unauthorised work could represent a criminal offence under Section 9(1) of the Planning (Listed Building & Conservation Areas) Act 1990 (as amended).

Appeals to the Secretary of State

If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then the applicant can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 (as amended).

An appeal must be made within six months of the date of this notice, or 12-weeks if the scheme is for that of "household" development, or minor commercial application, or within 8 weeks in the case of advertisement appeals.

Appeals can be made online

Householder Development Appeals - [Appeal a householder planning decision: Overview - GOV.UK \(www.gov.uk\)](http://www.gov.uk)

Full Planning Application - <https://www.gov.uk/appeal-planning-decision>

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on Tel: 0303 444 5000.

Where an enforcement notice has been served on the same, or substantially the same, development as in the application within 2 years of the date the application was made, the period for receiving an appeal is 28 days of the date on the decision notice or the date by which the LPA should have decided the application. Where an enforcement notice was served after the decision notice was issued or after the end of the period the LPA has to determine the application, the period for receiving an appeal is within 28 days of the date the enforcement notice was served (unless this extends the normal 12 week deadline).

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority (appeals@shropshire.gov.uk) and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council requiring the Council to purchase the interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990 (as amended).
