Hi Max,

Thank you for your email.

Apologies we thought we had included details re conditions:

- Ash tree is suffering with ash dieback and deadwood.
- Elm has dead saplings.
- Holm Oak is in good condition but is encroaching near the building and the lower trunk obstructing a light in situ for the outside seating area.

Best Regards

Wendy

Hello,

This application is currently invalid as we are waiting for information relating to the condition of the trees. Please can this be provided as soon as possible?

Regards,
