Supporting information requirements		
Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.		
Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.		
Your local planning authority will be able to advise on the content of any assessments that may be required.		
Biodiversity net gain		
Do you believe that, if the development is granted permission, the general Biodiversity Gain Condition (as set out in Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended)) would apply?		
○ Yes ⊙ No		
Please add all the exemptions or transitional arrangements that apply and provide a reason why		
Exemption: Temporary exemption for non-major developments (small sites exemption)		
Reason for selecting exemption:		
Does not decrease the biodiversity value of the site		
Note: Please read the help text for further information on the exemptions available and when they apply
