Re: Tree felling at The Grange, Church Hill, Slindon, Arundel BN18 0RD

I am writing giving notice of our intent to undertake the following tree felling within a designated Conservation Area.

- 1. Ash (T1)** – cut down to ground level.
- 2. Beech (T2)** – cut down to ground level.

The trees are by the compost bins in the south-east corner of the garden at The Grange and are shown marked on the plan overleaf.

Both trees are relatively young but showing signs of decline/dysfunction. The ash has fairly extensive basal heartwood decay while the beech is showing signs of colonisation by *Armillaria mellea*.

Please do not hesitate to call me should you require any further information.

Yours sincerely,

Jonathan Rodwell Cert Arb L4(ABC); TechArborA
