Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing use of the land is lawful- as the existing use is not queried in the most recent application 22/03398/FULL case officer report. The application site is currently used as an overflow car park for the adjacent business (Ton Hire) located at 9 Eldon Way.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

This application seeks to site a temporary 12.12 x 3.91 x 2.5 m Portakabin on the site, with a GIA of 44.32 sq.m. The Portakabin will be used to oversee the build of the permanent office facilities and will be used as a construction site office and welfare suite for the duration of the build-out of the permanent office and servicing facilities approved under application 22/03398/FULL.

A supporting statement has been provided which sets out why we consider this use would be lawful.

Select the use class that relates to the existing or last use.

Other

Other (please specify)

Is the proposed operation or use

 Temporary

If Temporary please give details

Temporary building to be removed on completion of the office/servicing facility approved under application 22/03398/FULL.

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The evidence to support the application is based on the premise that the proposed use would be lawful because it would fall under the provisions of The Town and Country Planning (General Permitted Development) (England) Order 2015, Schedule 2, PART 4, Class A - temporary buildings and structures.
Please see Supporting Statement for full justification.
