Hi,  
No problem, apologies I didn't include it. It's the first time I'm submitting an application.

The lift would be circa 6-7m from the ground. Not all branches would be removed though, just the ones that are a hazard as the goal is to keep the shape of the tree. Please let me know if you need any further information.

Kind regards,  
  
Richard

Hello Mr Wood,

Thank you for your tree application which has been given the above reference number.  
Can you please confirm the approximate amount in metres (not %) that you are proposed to crown lift 1x Beech tree by, as the Tree officers require this information.  
Once we receive this information, we can then make the application valid.  
Kind Regards,  
The Development Management
