Details of the pre-application advice received

I would draw your attention to the Planning Inspector comments from appeal decision reference APP/G2245/A/11/2165245 for a Change of use of land to be included within residential curtilage, together with the erection of a two metre high wooden fence. The appeal was dismissed. From the documents hereby submitted it would appear that despite the above appeal decision the boundary fence was erected regardless, and in breach of planning permission. You would need to demonstrate that this has been in situ for over 4 years, this can be confirmed via a lawful development certificate for existing use.

Interest in the Land

Please state the applicant's interest in the land

- Owner
 Lessee
 Occupier
 Other

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

 No
