Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted. Your local planning authority will be able to advise on the content of any assessments that may be required. Biodiversity net gain Do you believe that, if the development is granted permission, the general Biodiversity Gain Condition (as set out in Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended)) would apply? Yes ⊗ No Please add all the exemptions or transitional arrangements that apply and provide a reason why

### Exemption:

Temporary exemption for non-major developments (small sites exemption)

#### Reason for selecting exemption:

The application is for signage and equipment on a beach car park. Firstly, this is a minor application before the small sites metric is to be introduced, and also, the introduction of new planting would not be proportionate to the application or fit the coastal character of the area.

Note: Please read the help text for further information on the exemptions available and when they apply
