

# **Consultee Comments for Planning Application**

## **24/00632/DOM**

### **Application Summary**

Application Number: 24/00632/DOM

Address: 75 Westgate Chichester West Sussex PO19 3HA

Proposal: Single storey rear wrap around extension and garage conversion, with an addition of roof lights and a roof lantern.

Case Officer: Emma Kierans

### **Consultee Details**

Name: ?-? Environmental Strategy Unit

Address: Chichester District Council, East Pallant House, 1 East Pallant Chichester, West Sussex PO19 1TY

Email: Not Available

On Behalf Of: CD-PLS Div-Environmental Strategy Unit

### **Comments**

App No: 24/00632/DOM

Proposal: Single storey rear wrap around extension and garage conversion, with an addition of roof lights and a roof lantern.

Address: 75 Westgate Chichester West Sussex PO19 3HA

#### **Bats**

Following submission of the Bat and Bat Survey (May 2023) we are happy that the mitigation proposed would be suitable. A condition should be used to ensure this takes place.

The lighting scheme for the site will need to take into consideration the presence of bats in the local area and the scheme should minimise potential impacts to any bats using the trees, hedgerows and buildings by avoiding unnecessary artificial light spill through the use of directional light sources and shielding.

We require that a bat box is installed on the buildings onsite facing south/south westerly positioned 3-5m above ground.

#### **Nesting Birds**

Any works to the trees or vegetation clearance on the site should only be undertaken outside of the bird breeding season which takes place between 1st March 1st October. If works are required within this time an ecologist will need to check the site before any works take place (within 24 hours of any work).

We would like a bird box to be installed on the building / and or tree within the site.

#### Hedgehogs

Any brush piles, compost and debris piles on site could provide shelter areas and hibernation potential for hedgehogs. These piles must be removed outside of the hibernation period mid-October to mid-March inclusive. The piles must undergo soft demolition. A hedgehog nesting box should be installed within the site to provide future nesting areas for hedgehogs.

Kind Regards

Liz
