

[REDACTED]
Kevin Brown
Manor House, Linton

13th March 2024

Our Reference: 1548B- Supervision Appointment

Re: Manor House, Linton – Appointment of Arboricultural Supervision

I am writing to confirm my appointment as arboricultural consultant by Kevin Brown for site at Manor House, Linton which will include any site supervision and monitoring required that has been stated within the AMS.

Where I am unable to attend site, alternative supervision will be through my colleague, Ben Harrop, who is also an arboricultural consultant at Quants Environmental Ltd.

Yours Faithfully

Dan Brown
