## **TOTEM ADVERTISING SIGN**

### **DESIGN & ACCESSIBILITY STATEMENT**

#### INTRODUCTION

The service station is a retail/ fuel station located on the busy Thornliebank Road in Thornliebank, Glasgow. The site is made up of the usual arrangement of fuel pumps and associated equipment, and a retail shop that serves the local community, selling various staples such as milk and papers, together with refreshments for passing motorists.

#### OBJECTIVES AND PROPOSAL

The proposed application centres on around the application for the replacement of the existing totem sign. The existing 5m sign is placed to the roadside of the site. The proposed 7m tall sign is to be located in the same position and remain the same branding.

#### CONSTRUCTION METHOD STATEMENT

The construction of the sign is to be carried out by a specialist contractor.

#### ACCESS

The existing service station premises should be unaffected by the proposed application and would have no effect on the existing access to the forecourt.
