2482

Recreation Avoidance Mitigation Contribution means the sum of £210.84 per dwelling (index linked) or equivalent tourist accommodation to be paid to the Borough Council of Kings Lynn and West Norfolk by BACS, by Card over the Telephone or Online.

I am making the attached payment to the Authority to address the requirements of the Recreational Avoidance Mitigation Strategy stated above. The contribution has been paid to the Authority. It is to be held by the Authority and used solely for the purposes when development commences.

The authority will return the contribution to the payee on written application to the authority if either of the following occurs;

- Planning permission is refused and six months have elapsed from the decision date without a planning appeal
- The development has not started and the planning permission is no longer capable of being implemented.
- Any Planning Appeal submitted in respect of the development has been dismissed

If the planning permission is varied by a Section 73 application or amended, then the contribution may be used to cover the GIRAMS payment due for that application.
