

STATEMENT OF CHARLES HUMPHREY OLIVER

1 I, CHARLES HUMPHREY OLIVER, of 1 Uvedale Court, Coddendam Road, Needham Market, Ipswich, Suffolk IP6 8AX, make this Statement in relation to an application for the conversion of agricultural buildings to flexible commercial use under Class R of Schedule 2, Part 3 of the General Permitted Development Order 2015 (as amended).

2 I am the registered proprietor of the land and buildings at White House Farm ("the Farm") which are shown coloured blue on the attached plan now produced to me and marked "CH01" thereon ("the Buildings"). The title to the Buildings is registered at the Land Registry with Title Absolute with title number SK351515.

3 I purchased the Farm in or around May 2009 from various members of my family who had been the owners of the Farm since 1963. During the period from 1963 until the time of my purchase the Buildings were used for rearing pigs by my late brother, Mr Christopher William Oliver. The Buildings were used as weaner pools where up to 2,500 fattening pigs were kept throughout the year. The young pigs kept in the Buildings by my late brother were housed and sorted according to their size.

4 The use of the Buildings for keeping pigs came to an end in 2009 when I purchased the Farm and the Buildings have been left vacant since then.

5 I believe that the facts and matters contained in this Statement are true.
