Dear team

I'm writing to oppose a building plan of a two storey house in the small back yard of the hardware store. 69 Longridge avenue, Saltdean. Brighton. BN2 8LJ.

Reasons for opposing.

1. They are not going to let it out to staff as all the staff have their own accomadation. This will be let out as air BB OR RENTAL PROPERTY . They are using this new building law where you can rent out to staff. So they can build this building.

2. HUMAN RIGHTS ACT- The right to light and noise abaitment Right of view.

3. Plus, in adopted back road where the building will be built will be used by big delivery lorry's causing more disruption to residents who park their cars on this road. The road is already in a bad state of repair.

4. [REDACTED]

5 Find enclosed photo of said official document , which was in the window of the hardware store. Why is there no official heading stating it is from Brighton and Hove council planning department .?
