Details of the pre-application advice received
Pre-App was undertaken in April 2021 for a revised scheme to planning application ref BH2019/01250. 'The provision of additional residential
units would be given increased weight as the LPA is unable to demonstrate a five year housing supply. The site is in a residential area and
therefore a residential use would in principle be an appropriate reuse of the land.' Advice was given that the built form be revised prior to submission of an application, with particular care given to potential overlooking and loss of privacy for occupiers of both the proposed and
surrounding dwellings.
Effectively BHCC did not object to the principle of a residential development of this site provided attention was paid to residential amenities for
both existing and proposed dwellings.

Authority Employee/Member  With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member  It is an important principle of decision-making that the process is open and transparent.  For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.  Do any of the above statements apply?  Yes  No
