Amenity land which the applicant requests permission to:
- Create a 1m wide non-vehicular footpath for access to the property and to match neighbouring properties.
- 1.6m extension of the existing parking/access onto the property to enable further off-road parking spaces.

Existing manhole leading to mains sewer to be repaired and reused.

Planning Proposal for part single part two storey rear/side extension, alterations to fenestration, hardstanding, change of use from amenity land to residential, widening of the existing driveway and creation of a footpath following demolition of existing elements.
