

No3 Canal Road, Gravesend, Kent, DA12 2RS

2nd April 2024

Dear Emma,

I appreciate you contacting us regarding the tree reduction needed at the Reynold Office building in Rainham. We have already conducted a site visit and agree that a 10% reduction of the tree should resolve the branch-related damage to the building's roof.

Should you have any further queries or require assistance, please do not hesitate to get in touch.

Warm regards,

Charlie
