Description of Proposed Works
Please describe the proposals to alter, extend or demolish the listed building(s)
The proposal is to replace damaged single-glazed timber framed windows with energy saving double glazed timber alternative heritage windows. Some of the existing panes are cracked and window cills rotten. The EPC for the property is rated E, with windows rated as "very poor" and a recommendation to replace them with double-glazed windows. Care would be taken to replace with heritage range windows that replicate the sash and casement windows exactly whilst being low maintenance, secure and energy efficient. Consent is only required for replacing the windows of the house; the adjacent garage has a window which a survey has found to be of historical significance, this will remain untouched. Precedent has been set as number 12, also a listed property, appears to have replacement timber alternative windows.
Has the development or work already been started without consent? ○ Yes ⊙ No
Listed Building Grading
Listed Building Grading What is the grading of the listed building (as stated in the list of Buildings of Special Architectural or Historical Interest)?
What is the grading of the listed building (as stated in the list of Buildings of Special Architectural or Historical Interest)? Onn't know
