Details of the pre-application advice received
The planning officer's view is that the loss of the existing C1 use as a B&B to a single dwelling house would not conflict with any Local Plan Policies and, as such, the proposal is likely to be acceptable in principle. If any works affecting the external appearances are proposed to facilitate the change, officers would need to assess any impacts. A Design and Access Statement and Sustainability Statement should be submitted with the planning application.

(b) an elected member
(c) related to a member of staff (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
